

DREW BREWER

Operations Manager | Malta Ready Mix

OBJECTIVE

I strive to take opportunities and make them successful. This goal is attained through communication with all people involved in a project from start to finish. I understand objectives and demands to provide solutions for the needs of clients and our workforce.

COMMUNICATION

I have had the opportunity to take three wind farm projects from start to finish, successfully providing the solutions to meet concrete quantities necessary to complete. I am currently involved in a mine expansion project that is on track to be completed successfully.
